

**HEALTHY  
NORTHEAST  
OHIO**

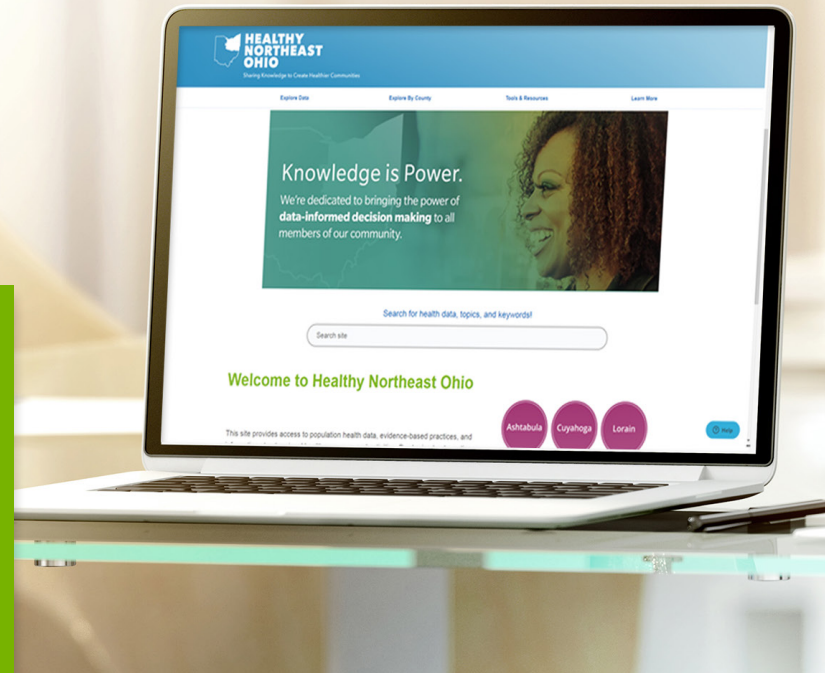

Sharing Knowledge to Create Healthier Communities

*The Healthy Northeast Ohio website is a neutral repository of de-identified health information that highlights collective impact toward positive health outcomes. This website can benefit individuals working in a variety of sectors by providing data to support strategic planning decisions and health improvement activities.*

## PLEASE JOIN US FOR AN UPCOMING ONE-HOUR WEBINAR TO LEARN HOW TO:

- ✓ Explore regional, county and local health data and trends over time
- ✓ Create custom reports and dashboards
- ✓ Review the Promising Practices database and submit your own community-based intervention
- ✓ Search for resources and funding opportunities
- ✓ Access COVID-19 vaccine information, community resources and local public health information

### LAKE COUNTY

Thursday, Feb. 18 | 10 A.M.

**REGISTER >**

### SUMMIT COUNTY

Tuesday, Feb. 23 | 10 A.M.

**REGISTER >**

The content of each webinar will be similar, with the exception of county-specific data highlights.
